The Processing Center will re-verify the quantities, grades and make readjustments of the figures entered by the Member or Associate if neccessary. If significant defference noticed (more then 10% but not exceeding 20%) the Processing Supervisor needs to re-verify. After the Supervisor re-verifies the decision will be final. If the difference exceeds 20%. received material will be sent to the independent lab, melted and sampled. The Lab decision will be final and payment posted into your account. Batches over 1000 grams of mixed material will be melted and tst by an independent lab(3% material loss will b attached to the Shipping List and held for 30 days for the verification purposes.

This quote will be guarenteed untill the expiration dated. If the material received after the expiration date the quote will be equal or less the amount posted above.

By signing this Shipping List, you agree with these terms and conditions and as will as Cash for Gold Agreement.
